

You're invited to
the most special event
of the year.

Jackson becomes enchanted.

Imaginations soar.

Lasting memories are made.

The Twilight Fairy Gala
April 21
The Fairy Festival
April 22 and 23

Why a Fairy Festival? This event and everything we do at Jackson School of the Arts is about encouraging children to think creatively and become their best selves through the arts.

The Fairy Festival, **now in it's 10th year**, is a beloved **free community event** that is attended by over 1,000 people from our community and with visitors from all over Michigan and Ohio.

This is Jackson School of the Arts signature fundraiser that supports our mission to provide children with the best opportunities to learn and grow with the arts.

We serve all children in our community because fees for participation are based on family income. This is the place where community comes together. Diversity and inclusion...it's what we do.

Together let's give our children the roots to grow and the wings to fly.

See what the Fairy Festival is all about!
Watch the short video.
