## The Jackson School of the Arts Holiday Extravaganza

*Jackson School of the Arts is proud to announce our first annual holiday performance.*

This is an optional and amazing opportunity for your student to perform on stage at the Michigan Theater in a holiday inspired performance that will feature dance and theater students and art work from art students. Several guests artists will also perform.

Students who "enroll" in this opportunity must be able to attend the rehearsals and the performance. Rehearsal times will be scheduled by "act" and will fall between the scheduled times. See schedule. The performance is 2pm on December 9 at Michigan Theater and will last approximately 1 1/2 hours.

Students may learn portions of choreography/combinations in their regular classes and some students will be provided a video link so they can practice at home.

Roles and routines for students will be determined by the Artistic Director, Ballet Director and team of instructors. Every student will be featured on stage.

**OPTIONAL AUDITION:** Students in all dance styles ages 8 and up who wish to be a part of a featured dance or solo may audition on September 16, 10am. Audition will be judged by a committee and roles will be determined based on audition and production needs. Students should wear dance wear and appropriate shoes.

The cost for this experience is \$30 and includes extra rehearsals, a t-shirt and costume to wear (not to keep.)

Tickets to the performance are \$6, \$4 for children 2- 17.

\$10 at the door. *Please register and pay by September 30.*

### SCHEDULE

*(Students may miss one November performance if prior conflicts prevent you from attending. Please note your conflict when you register.)*
