You and your guests will enjoy two hours all to yourselves in the most vibrant party space in town.

YOUR PARTY PACKAGE INCLUDES

- **Two hour party in a large, private space.** The party takes place in multiple spaces on our second-floor space.
- **Extensive decorations** (based on your theme), **set up & clean up.**

HOW OUR PARTIES WORK

No two parties are alike as we consider the needs of our young guests. We plan for different attention spans, ages and personalities.
